FROM THE CLUB PRESIDENT

Winter is here with those icy winds early in the mornings which can only mean one thing – Men's Pennant season is here. Yes, we have five teams representing the club in the Southern Region's Pennant competition and with mixed results (what's new) but no doubt you will read more about that elsewhere in this *Caddie*. Most Pennant players will know that Barry Green decided not to lead the Pennant group this year and has thrown his full energies behind the A2 Pennant Team submitted by the region. Barry's input to Pennant competition over the past years will always be appreciated by the club as a whole and we wish him every success with his new challenges. I also want to thank Michael Rice, our Club Vice Captain, for stepping into the role at short notice and doing a great job. Please do not forget that our Pennant dinner will be on 16th August so please book in early because I hear our new chef is serving up excellent meals.

Club Renovations

Our club renovations are continuing and we are getting towards the end of the internal building work. The handicap loo has been built and now requires paint plus plumbing fixtures. On completion this will allow us to finish off the hallway and do some much need sprucing up of the manager's office. You will also notice we have re-laid out the men's change room and this should also be painted soon.

The fire services still need upgrading and hopefully this should be completed during July. ETSA has been requested to upgrade our power supply and part of this requires us to move the power pole further away from the club house and closer to the edge of the extended car park. While this does not impact on our current operations, ETSA has indicated this will be installed by the end of September which is well before the heat of summer.

In preparation of this work with ETSA we are clearing away a few sheoaks and further opening up the face of the hill down to the 10th fairway. Richard House is standing by to expand his hill beautification plantings so that the hill will eventually look a picture from both the club house and the course. We have not forgotten the barbecue area or the car park but neither can be really started until the ETSA work has been completed.

Catering

It was unfortunate that our past caterers Shannon and Jo White decided to leave us at such short notice but we are pleased to advise that Tom and Brook Howard plus Simon Burr (Top Chef Extraordinaire) stepped in

quickly and had the catering operations going within twenty four hours. Thanks also go to the extra efforts of Dennis Wilden, Kathy Whyatt and Joanne Smith who worked hard to make it all happen.

Yes, it's all happening with Friday night bistro bookings up and function bookings the most Dennis has ever seen for this time of the year. In addition members seem to be staying longer after their game of golf as they enjoy the new ambience of our upgraded club rooms, the new menus and the relaxed atmosphere. If you haven't tried our new caterers then I suggest you make the effort because it's well worth it.

On a related issue we recently had a major wedding function early on a Saturday afternoon and whilst the task of accommodating the function and members plus the modified bar service went well, we did run into difficulties with the kitchen. This resulted in us not providing service to members for about forty five minutes while the function main course was finalised.

This was our first such function and the club's management is looking at options to improve the situation. It is not our intention to ignore members, as some emotive comments suggested. We need the income from functions to help finance the improved facilities that the members currently enjoy, so some understanding will be required on the occasional instances where clashes occur. The answer lies in getting a better balance between both needs and we are working to achieve this better balance.

Opening Dinner

The club is planning an opening dinner for the club house redevelopment and this should occur around the middle of September on a Saturday night. So keep an eye out for the notices and I hope to see you there to celebrate the club's achievement.

Trust this keeps you up to date and good golfing.

Peter Reynolds

WHAT SKILL!

Well done to these players for great achievements recently:

Holes in One

Dave Haddrick	on the 10th hole	on 1st May 2008
Peter Stock	on the 7th hole	on 31st May 2008

Eagles

John Grant	on the 2nd hole	on 29th May 2008
------------	-----------------	------------------

FROM THE LADIES' PRESIDENT

Since the last *Caddy*, the ladies have been heavily involved in Pennants, *Ladies Come and Try Golf* and Gala Day. Well done to all those girls who played Pennants this year and to the "A"s who had a good win.

Gala Day

Gala Day sponsored by SAAB was a day full of fun and happiness, with everyone enjoying the day. All the ladies had lots of fun at the on-course nibbles and champagne "pit-stops" and all ably served by the two debonair gentlemen in their tuxedos. Special thanks to Robin Scott and Gavin Lillecrapp for giving up their time to add to the fun and flavour of the day. Once the golf was over for the day and we were all in the clubhouse, we were all entertained by Giovanni with a couple of songs from the past and more laughs ensued.

We sincerely thank Mark McCappin and his team from SAAB for their very generous sponsorship of the day and look forward to another big day next year. Our thanks also go to all who helped out in any way to make the day a success.

Ladies Come and Try Golf

The *Ladies Come and Try Golf* campaign has been a wonderful success with over a hundred ladies registering an interest to participate. With so many ladies interested it was decided to cap the numbers at ninety for this intake and do another round in October. The five weeks of lessons went very well and each day was very busy and hectic with all the new arrivals checking-in for their time-slot, being directed to either the practise green or fairway, where they were ably coached by Anne-Marie Knight and Gavin Stratfold. I wish to thank both these wonderful professionals for taking the time to coach these new ladies and doing such a fine job.

After their lessons all the ladies were treated to a cuppa and biscuits which were generously made by members of the club and I also thank them very much for catering for ninety each week! I want to give big thanks to all the ladies who gave their time each Friday to encourage and help all these new girls.... A fantastic job done by everyone. The ladies are all out on the course now for an hour and a half each Friday and I believe they are enjoying it. The response from them has been very positive and many are very keen. We hope that some will soon join our ranks and get the enjoyment that we do from golf.

Ladies Championships

The ladies championships have now been completed and I congratulate all the winners. Full details are in the Ladies' Captain's report.

Ladies Come and Try Golfers
Some of the *Ladies Come and Try* golfers
experiencing that terrible first moment on the first tee.

SOME GOOD NEWS ON THE SOCIAL FRONT

There are three social functions on the calendar to date:

26th July	Buddy's Back! Christmas in July, dinner and show
6th September	The Flaming Sambuccas! South American night, tapas and great dance music
1st November	Elvis show plus dinner.

Sunday social golf will be back on the agenda in September when the weather will be kinder. We will follow the golf with a barbecue so pick out your playing partners and keep one Sunday a month free.

All these events will be promoted on the screens in the club, on the notice boards, and of course via *The Caddie*. If you have access to a computer then check out the new website at www.vhgolf.com.au for all these upcoming events, competition results and club news. The members area is accessible using the password *bluff*.

We have had a very favourable response to the weekly raffle and have sold over a thousand tickets. Ten lucky winners so far have received \$50 on their club card. So if you haven't got into the habit of buying a ticket as yet, they are always available at the bar and are only \$1.

Kirsten Jensen
Committee of Management
Social and Fundraising

CENTENARY CELEBRATIONS COMMITTEE

The Victor Harbor Golf Club was formed in 1911 and the first game of golf was held in 1912. Recently a *Centenary Celebrations Committee* was formed and the following people have nominated to be on this committee; Peter O'Shaughnessy, Judy Parsons and Mel Woodward. As Vice President I have been appointed to chair this committee. The committee's responsibility will be:

- a) Determine over what period that the club will celebrate its centenary, i.e throughout 2011 – 2012.
- b) Initiate/run centenary celebration events within the club for the benefit of members, their visitors and guests. These can be functions, social games of golf, barbecue's or combinations of these activities.
- c) Review the club's calendar in order to co-ordinate and implement activities throughout the centenary period.
- d) Review the Arnold Brown book on the club history with the view to compiling an up to date historical/anecdotal reference book on Victor Harbor Golf Club.
- e) Liaise with other sub-committees, i.e. Social and Fundraising, the office, and caterers, as required to ensure that any event is co-ordinated correctly. An action sheet per event is one way of providing this information to all concerned.
- f) Provide a budget; income and expenditure statement for the Committee of Management prior to any special functions plus a final financial report on each event.

This is a general overview of the committee's activities and more information will be forthcoming following the initial meetings of the committee over the next couple of months. If you have any ideas or suggestions for our club's centenary celebrations please don't hesitate to contact myself or any other committee member. We look forward to your input.

**Michael Bade, Club Vice President
Chair, Club Centenary Celebrations**

FROM THE CAPTAIN

There is no Captain's Report available for this edition of The Caddie

FROM THE LADIES' CAPTAIN

Since our April newsletter the ladies golfing calendar has been successfully busy, and it has been very pleasing to see the Wednesday playing numbers which have averaged between forty two and fifty three ladies. Other than one particularly very unpleasant day early in April which led to a cancellation of all events, we have been blessed with favourable weather conditions for our Wednesday group. Saturday girls may not have been quite so lucky, but we are in the winter season.

Eagle Winner

Accolades must go to our very clever Margaret Anderson who achieved her three shot eagle on the par five 4th hole. Margaret has also had her share of birdie holes this season. Keep up the good work.

Events

One of our highlights was Gala Day which was played in early May. Fifteen clubs were represented. One hundred and fourteen ladies and one gentleman played a stableford round in pleasing weather conditions. Champagne, port and food, served on course by two charming gentleman, helped greatly in producing some fine scoring. One in every four ladies won a bottle of wine on the practice putting green as each group went past.

The winner

Gloria Fitzgerald was the major winner for the day with 42 points.

A fabulous effort! Gloria will have a weekend away with the use of a SAAB sports car. Not bad for a day of fun!

Other good scorers

A grade winner	Olive Shanko	39 points
A grade 3 rd position	Beth Goldfinch	36 points
B grade 3 rd position	Dorothy Lord	37 points
C grade winner	Jenny Vincent	37 points

Congratulations to all those girls. I think we can look forward to an even bigger event next year as word is getting around about our Metro SAAB sponsored day. Special thanks must also go to all the men who so willingly helped us out on the day with registrations, card marking, bunker raking, spotting and hospitality. And of course not to forget Warren with all his help in setting up tents, signs etc. As usual our visitors enjoyed the super presentation of our lovely course due to our dedicated greens staff.

Thanks to you all.

Geoff Bohnsack Ambrose cup

This event was played on Saturday 31st May and the ladies event results were

Winners Linda Hodgson, Kathy Huppatz, Betty Lockwood, Pat Blain
Runners up Christine Fowler, Sue Bartel, Kirsten Jenson, Lyne Reynolds.

Well done girls. I was fortunate enough to play in this event myself thus experiencing my first Saturday game at Victor Harbor. I found the day most relaxing and enjoyable.

Club Championships

Congratulations to all for their fine efforts in playing our most important event of the year.

Club Champion	Kerry Higgins
Runner up	Dini Stock
B grade Champion	Joy Kennedy
Runner up	Mary Stock
C grade Champion	Jan Allen
Runner up	Marian Sorrell

The Mary Oliver Trophy for best nett score over the two qualifying rounds was awarded to Marian Sorrell with an aggregate of 150.

Our sincere thanks to Mark and Sue Thwaites from Bells store for their generosity in sponsoring the ladies once again. We were delighted to have Mark join us on completion of the championships and present the winners with their trophies.

Pennants

Our goal of back to back wins has been realised with our top division going undefeated for all matches this season. A fabulous effort.

- **Division 1 A2** narrowly missed a place in the final
- **Division 3** missed a place in the final by only a half match
- **Division 2** came up against some very strong competition this season but it hasn't dampened their enthusiasm for another try next season.

Congratulations to all players and many thanks to all captains for their work and organisation with these teams. Victor Harbor was the only club to enter four teams for the 2008 season

Continued good golfing to you all.

Trish Bohnsack

The Ladies Champions

Mark Thwaites, the sponsor with Jan Allen (C Grade), Kerry Higgins (Club Champion), and Joy Kennedy (B Grade)

THE MAD MANAGER'S REPORT

Well we are into the time of the year when things are slowing down!!!!

How is it then that neither Kath or I have time to scratch ourselves???

In the club house

On close reflection, the events over the last six weeks have seen a dramatic change in the atmosphere of this club; systems have been redeveloped to enhance reporting and accounting procedures; we have seen a new staff member join us; *Ladies Come and Try Golf* is well on the way; and most importantly we at last have some decent coffee...

Talking about coffee, we have recently acquired a coffee machine behind the bar for times when the kitchen is not attended. This acquisition will fit in with the club's move to change the manner in which tea and coffee is provided at the club.

The availability of the endless cup of coffee will come to an end late in July. In its place will be single cup purchase from the bar or kitchen. When the appropriate equipment arrives you will also be able to purchase a small pot of tea.

Instant coffee will continue to be available to those who prefer it.

Behind the bar, in the kitchen and in the office we have upgraded the software that handles the point of sale system. This has made the system more efficient and has saved Kath some grey hairs. When you purchase anything from the bar USING YOUR CARD you will be given a receipt which contains information on your purchase and your account balance. Importantly, members will need to present their card to access the credit on their card.

Welcome to Joanne Smith our new bar person and Function Coordinator. Joanne has hit the ground running with function bookings picking up as a result of the publicity the club is getting.

Ladies Come and Try Golf

Ladies Come and Try Golf has surprised us somewhat, the reaction and demand was beyond all expectations. At the moment we have progressed the ladies from the practice fairway onto the course under supervision of some of our members. If you see them on the course between 10.30 and 1.30 pm give them a wave and say hello. Above all please be patient as they are in a learning program and are not as experienced as you. Thanks to those members who volunteer their time to help these beginners.

On the course

It has come to my attention that some members are not repairing bunkers when they leave them. Golf etiquette is such that you leave the bunker in a fit state. There is no excuse for leaving it in a mess. Similarly, the number of plug marks left in greens is increasing. Please repair your plug mark and if you see others fix those too.

Finally, Golf Australia has recently made a decision determining men's handicaps will be set at a maximum of 36 Australia wide. This overcomes the inconsistency between states.

Good golfing

Dennis Wilden

DAD'S ARMY

You would have noticed lately that Dad's Army has been experiencing some changes in tee times. This has been brought about through the club's endeavour to find a solution to slow play problem's involving members who tee off early on Tuesday mornings, and members of Dad's Army who tee off from the 15th.

These changes were largely experimental to find a long term solution, however

in most cases they have proven unsuitable. Arrangements have now reverted to the original position.

The club emphasis continues to be on ensuring all members enjoy their game and not focusing on one group or the other. Given the large numbers now competing in Dad's Army it is important that all groups have regard for each other.

One of the main principles for good golfing is the avoidance of slow play. This goes a long way in accommodating more groups at the Victor Harbor Golf Club. For the benefit of all players - not just Dad's Army - the following quote is provided:

AVOID SLOW PLAY

**Be ready on the first and stand
With ball on tee and club in hand**

**On each tee, saving time's not hard
Drive off first, then mark your card**

**Walk quickly to your ball to play
Think club selection on the way**

**Keep up with players in front of you
To lose a hole is real taboo**

**Don't leave buggies in the way
Or those behind must wait to play**

**One practice swing is fine to take
But don't do ten for heaven's sake**

**Lost your ball? Not a clue?
Players behind you must call through**

**In Stableford, if you can't score
Pick up your ball and putt no more**

**And if a slow coach you must stay
Then please play later in the day.**

Allan Wells

BUDDY'S *Back!*

Buddy's Back: Scot Robin - who portrayed the role of "Buddy", has put together his own show with some of Sydney's best musicians.

Buddy's Back has excited audiences both visually and musically with its high energy performance, brilliant costumes and fantastic musicianship.

Scot Robin as Buddy breathes life back into the legend playing hit songs including;

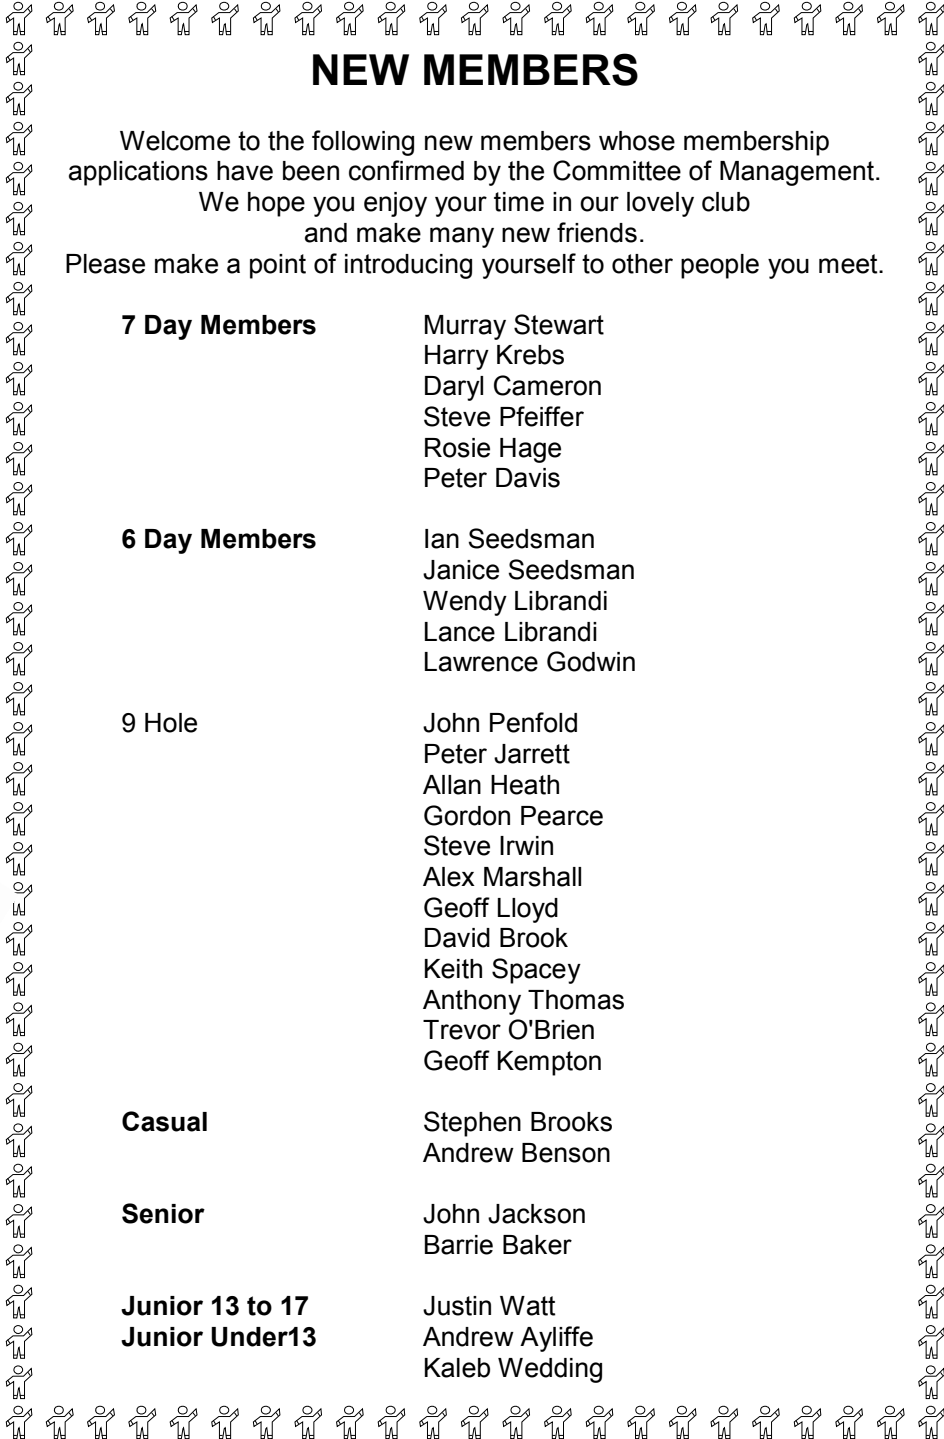

**"That'll be the day", "Peggy Sue",
"Raining in my Heart", "Oh Boy"**
and of course
"Rave on".

FROM THE JUNIOR GOLF COORDINATORS

Throughout the last few weeks we have seen a buzz of junior action on the course. We now have over twenty seven juniors involved at the club either on Mondays after school or Saturday afternoons playing in competitions and participating in coaching lessons.

In particular there are seven young "ladies" who form together and have bonded well, showing enormous talent and enthusiasm towards their sport and the club. All the juniors bring with them families who also enjoy our relaxed club house atmosphere, fabulous food and the magnificent course. Parents and caregivers are always joining us to learn as well, and assist with a variety of small tasks as volunteers. Some parents are keen to take on the sport themselves, which is an added bonus. All juniors are now teeing from the red markers, but are yet to play nine holes in a competition. We still encourage four holes of play on Saturdays, mainly due to daylight hours and time.

Donations are always needed to assist with the costs of managing the program. Please consider donating a few dollars to the Junior Fund, especially if you are unable to volunteer yourself to help with our golf programs. Donations can be given to Dennis Wilden.

Other donations of **good quality golf jumpers/shoes** or **wet weather gear** can be given to Linda or Phil. These will be passed on to juniors, so small sizes are best.

We wish to raise some funds through a **basket raffle**. We require donations of items to add to the basket, such as wine, beauty products, or hand crafts. Please pass these onto Phil, Dennis or Linda Hodgson

Telstra has kindly donated funds. This funding enables us to purchase Junior Squad golf shirts; all juniors will wear these on competition days. Thank you to Telstra and Graeme Wedding for their support in this matter.

Heidi Zitterbart and Elders kindly donated golf tees and ran a raffle. We raised \$100 from this. Thankyou Heidi.

Our trip to Adelaide Shores was fabulous and fun. We are expecting Nick McCormack's juniors to visit us, let's hope we can provide the same outstanding welcome to them as Nick gave to help our juniors.

Steady swinging to all our juniors and thank you to our senior members for your patience and support.

Linda Hodgson and Phil Tierney

MEMBERSHIP DEVELOPMENT AND MARKETING

With the imminent completion of the club house extensions and the appointment of a new caterer, it is an ideal time to consider how much we all use the excellent facilities we pay for. The committee would like to see ALL members being able to take more advantage of our club and its facilities, so it has decided to keep you more informed about events, both golfing and social, being held at the club. To do this several new initiatives have been taken:

1 **The Caddie**

In the future you will be receiving your copy of *The Caddie* either by post, or by email.

Important: If you are able to receive email please assist the committee in it's efforts to keep costs down by registering your email address (instructions on how to do this are on page 17).

2 **The club website**

The website has been revamped and will now be updated on a regular basis with competition results, news and announcements. You can bookmark the website and visit it regularly or, better still, you can register to have all the postings which go on the website emailed to you at the time they are posted (instructions on how to do this are on page 17).

3 **The main screen in the clubhouse**

This will soon be once again showing comp results and announcements.

Come and Try Golf

Club membership development initiatives this year are mostly going to take the form of the currently running *Come and Try* promotion, which was arranged in conjunction with the *Department of Sport and Recreation* and *Golf SA*. The first promotion, aimed at ladies interested in taking up the game, has been a huge success.

We were able to cater for ninety ladies but the program was 50% over subscribed and we had many men also enquiring if a similar program was to be run which they would be able to attend. The current ninety ladies have almost completed their teaching program and we are confident that many will go on to become valued club members.

Because of the success of this first promotion the committee has decided to run two further programs, one for ladies in October and one for men next year.

The Golf and Wine Guide

Another major marketing initiative in the last twelve months undertaken by Dennis Wilden and Peter O'Shaughnessy, with the backing of the committee, is the recently published and distributed *Golf and Wine Guide*. This is an excellent publication designed to entice golfers from all over Australia to come to our region to enjoy the excellent golfing and wine attractions of the area.

Although this is a marketing initiative which is not directly targeting our club, because of Dennis's major involvement in the production of the Guide, Victor Harbor Golf Club has a prime position on the first page and we expect the club to benefit greatly from the promotion with what has been a minimal financial investment.

Indeed, although distribution has only just been completed, we can confirm that two bookings have been made with *Pete's Golf Tours*, for sixty six golfers from northern New South Wales and for twenty eight golfers from Victoria. These bookings will bring the golfers to the area for five to seven days and Victor Harbor Golf Club is guaranteed at least one (weekday) visit by each group. Well done Dennis and Peter O!

Alan Snowden

Instructions on how to register for email

The following process will ensure that you receive *The Caddie* by email in PDF format AND email copies of all new club announcements posted on the CLUB NEWS & RESULTS section of the website.

MEN'S PENNANTS REPORT

At the time of writing Victor Harbor pennant teams are having mixed success.

- **Club Grade Division 2** are second and in a good position to make the final.
- **Team Grade Division 1** are holding up the other teams in their division and it will take a big effort to make the final.
- **Team Grade Division 4** are second in a close race and with good play and a bit of luck should make the final.
- **Team Grade Division 5** are also holding up the rest of their division and will also require a big effort to make the final.
- **Handicap Grade** are sitting in second place and face a couple of big matches to make the final and should make it.

The season has not been without it's dramas but is progressing well and I anticipate some good results. The pennant dinner to be held on the 16th August should be a celebration of the season and we hope to see a good roll up of players, partners and supporters. Our sponsors *Mario Bridge Electrical, Phil Harding Electrical Contractor* and *Toop and Toop Real Estate* are also recognised and thanked at this function so it is important to show appropriate support.

Victor Harbor Club has supported the A2 Pennants Southern Zone team and a number of our members both played in and supported this team and will continue to do so in the future. Thanks go to *Kym Roads (Yorkes)* for sponsorship of the A2 pennant team.

I would like to wish the teams all the best for the rest of the season and thank everyone for their support and help during the season. Without that I might have torn my hair out, had sleepless nights, dreaded the phone ringing, and might have to offer an apology to my wife after this season.

Mike Rice
